Jeroni Xampany

Boracs achieved **ISO90001:2000** quality management standard in 2006 certified by **UKAS** in United Kingdom.

The design and materials used to produce Boracs pallet racking system is in accordance with **FEM 10.2.02** and **10.3.01** Standards issued by **European Federation of Materials Handling Organisation**.

Our pallet racking system was also tested with reference to **Australia National Safety Standards for Steel Storage Racking AS4084** and **AS1538** by national testing organization in Malaysia in June 2006.
